Smart Dashboard tracks instructions, generates fee notes and manages all payments

*'I think it would save me 3 hours a week, in a partnership like ours with 12 doctors that's a huge saving'*

Dr Kannan,  
Gowerton Surgery

**FREE Forever!**  
**GUARANTEED**

'Our ambition is to make a social impact, empower our users and to create value within health eco-systems around the world'

Richard Freeman,  
Founder and Chief Executive

*'I just think it's a really good system. I have already recommended it to the Practice I used to be at, as I know they will want to use it.'*

Cheryl Mee, South Reddish Medical Centre
